ONE PLACE FOR WEEKLY INFORMATION

A note as we head into the holiday season

As we approach the holiday season, we're mindful that this time of year means different things to different families. Many cultures and traditions are part of our LaVenture community, and we keep those differences in mind as we plan activities so every student feels welcome and included.

We also know this season can be difficult for families for many reasons. LaVenture is here to support students and families throughout the year. If your family could use some help, please reach out to our school office or explore the resource links in this bulletin.

I'm grateful for the ways our families and staff show up for our students and for one another. I hope the long weekend gives you time to rest, connect with friends and family, and reflect on what you're thankful for.
